PARTY ON SEVENTH BIRTHDAY.

GOENNE-OTTO ENGAGEMENT.

Mr. and Mrs. Ernst Otto of 723 West Sixth street, Davenport, announce the engagement and approaching marriage of their daughter Norma to Dr. William C. Goenne of Eldridge, Iowa, son of Mr. and Mrs. E. C. Goenne of 1621 Harrison street.

The first word of the coming nuptials was confided to a little group of girl friends of the bride-to-be, who were invited by Mrs. Otto Schrum of 309 Western avenue for a social evening. As the pretty gilded nuts, held together with pink and blue ribbons, were untied at the table a whisper of suspicion at a coming event went around, which was confirmed as the little cards inside were disclosed telling that the coming marriage of their hostess and Dr. Goenne was to be an event of May.

The table was trimmed in pink and blue, suggestive of the coming ceremony which will have the decorations and various details in these delicate colors. The flowers were carnations, and there were place cards, nut baskets, and favors in the colors.

Both Miss Otto and Dr. Goenne are Davenport high school graduates. Miss Otto went to the New England Conservatory of Music, Boston, to take a special course in music after graduation. Dr. Goenne graduated from Iowa university, where he was a member of the Sigma Chi fraternity, and also from the Northwest Western

HEART and HOME PROBLEMS
MRS. ELIZABETH THOMPSON

Dear Mrs. Thompson: (1) What is a quick bleach for red, feverish complexion?

(2) What will take dark circles from around the eyes?

(3) What will close the pores of the skin and take off roughness and make the complexion clear and smooth?

THANK YOU.
(1) The following is a remedy for inflamed skin: Boracic acid, one dram; distilled witch hazel, two ounces; rosewater, two ounces.

If this has no effect, it would be well to consult a physician, as the blood or stomach may be in a bad condition, and a local treatment will have little effect.

(2) Some people have dark circles that will not go away. Sleep, exercise and nourishing food help if anything.

(3) A lotion for enlarged pores is made of one dram of boric acid and four ounces of distilled witch hazel. Apply with a piece of old linen or a bit of absorbent cotton.

In order to relieve the skin, scrub the face with a complexion brush once a day and apply a good massage cream.

Dear Mrs. Thompson: I am 27 years old and a widow. My husband I lived together three years before he died and were very happy. He had a sudden attack of acute indigestion and only lived a few hours after he was taken sick. He left me a small life insurance, but that was all. His parents are comfortably fixed and want me to come and live with them. They have a farm and I would be able to do enough work for them so that I would feel that I was paying my way. Although I love my mother-in-law and have great respect for my father-in-law, I would much rather stay here in town and work. I was a good stenographer before I married and I think I could pick up the work easily again. It would be very hard for me to leave my friends and go to the country, where I know only my husband's people. My old employer told me that if I could wait until June he would give me work. That would give me a little time to pick up in my

stenography. What do you think it would be best for me to do?

YOUNG WIDOW.

Since you prefer to work in the city, I think you should do so. The offer of your parents-in-law to live with them in the country will probably be open to you later if you find you do not get along well with your work in town.

Dear Mrs. Thompson: (1) I am a girl of 20 and have light hair and blue eyes. What shades in silk are going to be popular?

(2) I do not want blue. What other shades would be suitable for me?

(3) Are white shoes going to be popular this summer?

(4) Are shoes and a dress of the same color going to be worn?

(5) Which are going to be worn most, broad trimmed hats or turbans?

SUSIE.
(1) Old rose, all shades of green and blue, burnt orange, gray and plaid.

(2) With blue eyes and light hair you can probably wear blue better than any other color, but green, pink and gray ought to be becoming to you. Almost any one can wear plaid.

(3) Very. (4) Yes.

(5) Broad hats will be worn most, but turbans are still good.

Dear Mrs. Thompson: I am 17 years old and have been going with a boy who is untrue to me. Lately I have found out that he lies to me and several times he has broken dates. The other night he broke a date and I learned that he was out with another girl. The next time that he asks to come to see me what shall I say?

BROKEN-HEARTED GIRL.
The next time that he asks to come tell him that you will be busy and cannot see him. If I were you I would not go with him any more.

HOUSEHOLD HINTS

HOUSECLEANING HELPS.

To remove putty from windows, use a little kerosene and soap mixed.

To clean white woodwork and cement in kitchen or bathroom use baking soda freely instead of soap. It makes it beautifully clean and does not take the gloss off as soap would.

To Clean Window Shades—Duplex shades: Take shades from brackets and lay full length on floor. Take plenty of good white soap and cornmeal and a small stiff brush. Go over all the shade. Rinse small piece of shade at a time with clean water. Holland or linen shades require a good white soap, as they are not as porous as the duplex. Care should be taken to spread papers on the floor first. Your curtains will look like new after they are done.

Wallpaper Cleaner—Take four tablespoons pastry flour, four tablespoons salt, half teaspoon coal oil and just enough water to make a stiff dough. Put on fire and stir until it gets sort of tough, then work with

hands for a few minutes. This is enough to clean a good-sized room and it will never stick to the paper.

HOME REMEDIES.

Chestnut Leaves Cough Syrup—Put five-cent package chestnut leaves in one quart water, boil down one-third, then strain and add one pound brown sugar, boil till one pint remains; let cool. Dose: One teaspoon every hour, or oftener in severe cases.

FOR THE KIDDIES.

Unique Idea for Quilt for Child's Bed—Buy three or four linen fast-color picture books. Take the leaves of them apart and sew together in block fashion with alternating squares of white muslin, the same size as picture squares.

Bloomers for Children, two or three years of age—Get white crepe; this saves so much ironing. Hang them in sun an hour before putting them away after they are dry, and they will keep white.
